

**What is the Good Grand Prix?** As part of FestivALL's *Go to Hale* events, Good News Mountaineer Garage and Goodwill Industries, Kanawha Valley are teaming up to present the first annual ***Good Grand Prix***.

**How does it work?** Teams of four people (18-years and older) will be racing in relay heats on a blocked-off section of Hale Street. One team member will ride, while another helps push, guide and / or steer toward the handoff with their waiting teammates who will finish the heat in the same fashion. While motorized vehicles ***are not allowed***, teams can use children's Big Wheels, tricycles, bicycles (no larger than 18"), or create their own "anything rolls" contraption to compete. Helmets are required, and part of the fun.

**When does the Good Grand Prix take place?** The main event is **Saturday, June 24, 2017** from **11 a.m. to 1p.m.** on **Hale Street, Downtown Charleston, WV (between Lee and Quarrier Streets)**.

**How can we participate?** Organize a team of 4 people (18-years or older) and enter. Team entry fee is \$60 (with preregistration) or \$80 per 4-person team day of (if space allows). You supply your own contraption for the event – design your own (no motors), use a child's Big Wheel, tricycle or bicycle (no larger than 18"). One "vehicle" per team. Teams may register by contacting Asley Orr, Good News Mountaineer Garage at (304) 344-8445 / [gnmg@goodnewsmountaineergarage.com](mailto:gnmg@goodnewsmountaineergarage.com) or Kathy McKinley, Goodwill Industries KV (304) 346-0811 ext. 1033 / [info@goodwillkv.com](mailto:info@goodwillkv.com)

***Team registration fees are tax deductible.***

**What do we get?** In addition to bragging rights and adding to the fun of FestivALL, prizes will be given in the following categories: 1<sup>st</sup> place team (based on heat time); 2<sup>nd</sup> place team (based on heat time); best team t-shirt; best team helmet; and best decorated "vehicle." Awards will be given at the completion of the race heats on the Hale Street stage.

**Who benefits?** Proceeds will be split between Good News Mountaineer Garage and Goodwill Industries KV – both are WV nonprofit organizations registered with the WV Secretary of State's Office. Good News Mountaineer Garage takes in donated vehicles, repairs them and gives them back out to WV families referred through the WV DHHR's WV Works program who need safe, reliable transportation to jobs or job training. Goodwill Industries KV provides employment and education options to people with barriers to employment. Teams may also choose to donate their bike, trikes or Big Wheels to Goodwill Industries KV following the event (a donation truck will be on site) and general donations are welcomed, as well.
